Accordingly, no election to the contrary shall be filed by or on behalf of the Company and all income, gain, loss, deduction, and credit of the Company shall be reported by the Member on the Member's federal income tax returns.

ARTICLE V
DISTRIBUTIONS AND ALLOCATIONS

Distributions shall be made to the Member at the times and in the aggregate amounts determined by the Manager. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Member on account of its interest in the Company if such distribution would violate the Act or any other applicable law or any Loan Document. The Company's profits and losses shall be allocated to the Member.

Upon the disposition of a portion of the Member's LLC Interest, the transferee shall be admitted as a substitute member as to the transferred interest upon the completion of the transfer without further action, unless otherwise agreed. If the Member transfers all of its LLC Interest in the Company, such admission of the transferee as a member of the Company shall be deemed effective immediately prior to the transfer and, immediately following such admission, the transferor Member shall cease to be a member of the Company. Following the disposition of the Member's entire LLC Interest, the Member shall cease to be a member of the Company and shall have no further rights or obligations under this Agreement, except that the Member shall have the right to such information as may be necessary for the computation of the Member's tax liability.

Upon the occurrence of any event that causes the last remaining member of the Company to cease to be a member of the Company or that causes the Member to cease to be a member of the Company (other than upon continuation of the Company without dissolution upon (i) an assignment by the Member of all of its limited liability company interest in the Company and the admission of the transferee pursuant to this Agreement, or (ii) the resignation of the Member and the admission of an additional member of the Company pursuant to this Agreement), to the fullest extent permitted by law, the personal representative of such member is hereby authorized to, and shall, within ninety (90) days after the occurrence of the event that terminated the continued membership of such member in the Company, agree in writing (i) to continue the Company and (ii) to the admission of the personal representative or its nominee or designee, as the case may be, as a substitute member of the Company, effective as of the occurrence of the event that terminated the continued membership of such member in the Company.

(b) Notwithstanding any other provision of this Agreement, the death, dissolution, bankruptcy, insolvency or incapacity of the Member shall not cause the Company to be dissolved or its affairs to be wound up, and upon the occurrence of such an event, the Company shall not dissolve and shall continue without dissolution.

7.2 Effect of Dissolution; Termination. In the event of dissolution, the Company shall conduct only such activities as are necessary to wind up its affairs (including the sale of the assets of the Company in an orderly manner), and the assets of the Company shall be applied in the manner, and in the order of priority, set forth in Section 18-804 of the Act.
