(c) Member Minimum Gain Chargeback. Except as otherwise provided in Regulation Section 1.704-2(i)(4), notwithstanding any other provision of this Article 6, if there is a net decrease in Member Nonrecourse Debt Minimum Gain attributable to a Member Nonrecourse Debt during any Fiscal Year, each Member who has a share of the Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt (which share shall be determined in accordance with Regulations Section 1.704-2(i)(5))

Allocations pursuant to the previous sentence shall be made in proportion to the amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(i)(4) and 1.704-2(j)(2). This Section 6.02(c) is intended to comply with the minimum gain chargeback requirement contained in Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

Therefore, notwithstanding any other provision of this Article 6 (other than the Regulatory Allocations), the Managing Member shall make such offsetting special allocations of Company income, gain, loss, or deduction in a manner determined by the Managing Member so that, after such offsetting allocations are made, a Member's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of this Agreement and all Company items were allocated pursuant to Section 6.01. In exercising its discretion under this Section 6.03, the Managing Member shall take into account any future Regulatory Allocations under Sections 6.02(c)

and 6.02(d) that, although not yet made, are likely to offset other Regulatory Allocations previously made under Sections 6.02(a) and 6.02(b).

In the event that distributions to a Class MM Member are reduced pursuant to the preceding sentence, an amount equal to such excess distributions shall be treated as instead apportioned in accordance with this Agreement without regard to the Class MM Member. At such time as the benchmark with respect to the Class MM Interest has been met, the Class MM Member shall be entitled to receive catch-up distributions under Section 6.07(a)(iii) and Section 6.07(b(iii), as applicable, equal to the amount the Class MM Member would have been entitled to receive but for the application of the benchmark and this paragraph.

(c) Advances or Draws. Distributions of money and property may be treated as advances or drawings of money or property against a Member’s distributive share of income and as current distributions made on the last day of the Company’s taxable year with respect to such Member.

(d) Distributees; Liability for Distributions. All distributions made pursuant to this Section 6.07 shall be made only to the Persons who or that, according to the books and records of the Company, hold the Interests in respect of which such distributions are made on the actual date of distribution. Neither the Company, the Managing Member, any Member, nor any officer shall incur any liability for making distributions in accordance with this Section 6.07.

(e) Tax Distributions. The Managing Member in its discretion may cause the Company to make distributions to the Members at times and in amounts intended to assist the Members in satisfying their tax liabilities attributable to allocations of taxable income of the Company allocated to them in any fiscal year (a "Tax Distribution"). In determining the amount of any Tax Distribution, the Managing Member may assume that the items of taxable income, gain, deduction, loss and credit in respect of the Company are the only such items entering into the computation of tax liability of the Members for the fiscal year and that each Member is subject to tax at the same effective tax rate, which shall be determined by the Managing Member. In addition, the Managing Member may take into account prior allocations of net losses (in excess of prior allocations of net profits) made to the Members by the Company and may make reasonable assumptions regarding the varying tax rates applicable to different categories of taxable income and loss and to different tax years in which taxable income or loss is recognized. Tax Distributions made to any Member pursuant to this paragraph shall be treated as advances against future distributions that otherwise would be made to such Member and therefore shall reduce the amount of such future distributions to such Member dollar for dollar.

(f) Form of Distributions. In the event any proceeds available for distribution consist of items other than cash (including, but not limited to notes, mortgages and payments in kind), the Members shall be entitled to their pro rata shares of each such asset, in accordance with the aggregate amounts to which they would be entitled if such distribution were a distribution of Available Operating Cash or Available Cash from Capital Events, as applicable. The Managing Member can elect the form, amounts, and terms of any distribution to Members, including, without limitation, in the form of insurance annuities or other contract rights. Notwithstanding anything to the contrary in this Agreement, no Member shall have a right to receive distributions in any form other than cash.

(g) Restriction on Distributions. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to the Member on account of its interest in the Company if such distribution would violate the Act or any other applicable law.

6.08 Withholding. Each Member shall furnish the Company with any representations and forms reasonably requested by the Company to assist it in determining the extent of, and in fulfilling, any withholding obligations the Company may have. The Company may withhold from distributions to a Member, and pay over to a U.S. federal, state or local government, any amounts required to be withheld pursuant to the Code or any other federal, state, or local law (a "Withholding Payment"). Any Withholding Payment in respect of a Member shall nonetheless be deemed distributed to such Member for all purposes under this Agreement. If the Company makes any

Withholding Payment in respect of a Member hereunder that is not immediately withheld from actual distributions to the Member, then the amount of such Withholding Payment shall offset subsequent actual distributions to such Member, or if the Withholding Payment exceeds such Member's share of future cash distributions, then such Member shall promptly reimburse the Company for the amount of the shortfall with interest at the then effective applicable federal rate within thirty (30) days from receipt of notice from the Company. Each Member hereby agrees that none of the Company, the Managing Member, or the Representative shall be liable for any excess taxes withheld in respect of such Member's Membership Interest in the Company, and that, in the event of over-withholding, a Member's sole recourse shall be to apply for a refund from the applicable governmental authority. Each Member shall indemnify and hold harmless the Company, the Managing Member, and the other Members from and against any liability with respect to taxes, interest, or penalties that may be asserted by reason of the Company's failure to deduct and withhold tax on amounts distributable to such Member, including, without limitation, Withholding Payments due on account of Sections 864 or 1446 of the Code (an indemnity in such case being joint and several between the transferor and transferee of a Membership Interest). The obligations under this Section 6.08 shall survive the Transfer of a Member's Interest.

6.09 Tax-Deferred Exchange. Notwithstanding anything contained in this Agreement to the contrary, upon a disposition of the Property, in lieu of distributing the Available Cash from Capital Events from such transaction, upon the consent of the Managing Member in its sole discretion, the Managing Member may cause the Company to effectuate and/or participate in one or more tax-deferred exchanges of the Property pursuant to Section 1031 of the Code and the Regulations promulgated thereunder. Each Member agrees and understands that if the Managing Member so elects, such Member shall not be entitled to the Available Cash from Capital Events as a result of such sale, the Company will attempt to purchase one or more replacement properties (the "Replacement Property"), and such Member shall remain a member of the Company. In such event, the Managing Member is authorized to enter into such documents on behalf of the Company (including purchase and sale agreements, exchange accommodation agreements, loan agreements and related transaction documents) to acquire Replacement Property. Any Available Cash from Capital Events from a Property shall then be reinvested in the Replacement Property by the Company. The terms of this Agreement shall continue to govern the Company upon acquisition of any Replacement Property, and the Managing Member shall update the Schedules to this Agreement accordingly. Notwithstanding the foregoing, in the event that the Managing Member chooses to cause the Company to effectuate a tax-deferred exchange pursuant to this Section 6.09, there is no guarantee that all of the gain will be so deferred, or that there will be any tax distributions to offset any gain that may be recognized in the exchange.

ARTICLE 7 - TRANSFER OF INTERESTS

7.01 Transfer in General. Except as expressly provided in Sections 7.02 and 7.06, no Member shall be entitled to transfer, assign, convey, sell, pledge, encumber, or in any way alienate ("Transfer") all or any part of its Interest, except with the prior written consent of the Managing Member, which consent may be given, withheld, conditioned, or delayed, as the Managing Member may determine in its sole discretion. Transfers in violation of this Section 7.01 or in violation of any other provision of this Article 7 or this Agreement shall be null and void ab initio and of no effect whatsoever.

7.02 Transfer to Related Parties. A Member may Transfer its Interest only to (i) another Member, or (ii) any member of the Member's Family Group, provided the following conditions are satisfied:

(a) The Member gives the Managing Member at least ten (10) days prior notice of the Transfer;

(b) the Transfer will not require registration of the Interests under any federal or state securities laws;

(c) the Transfer will not violate any loan document executed by the Company or any Subsidiary;

(d) the transferee delivers to the Company a written agreement to be bound by the terms of this Agreement and such other documents and certificates as may be requested by the Managing Member;

(e) the Transfer will not result in the Company being subject to the Investment Company Act of 1940, as amended; and

(f) the transferor or the transferee delivers the following information to the Managing Member: (a) the transferee's taxpayer identification number; and (b) the transferee's initial tax basis in the transferred Interest.

7.03 Effective Date of Transfer. Any transfer of all or any portion of an Interest in accordance with the terms of this Agreement shall be effective no earlier than the date following the date upon which the requirements of this Agreement have been met.

7.04 Effect of Transfer. After the effective date of any transfer of any part of an Interest in accordance with this Agreement, the Interest so transferred shall continue to be subject to the terms, provisions, and conditions of this Agreement and any further transfers shall be required to comply with all of the terms, provisions, and conditions of this Agreement. Any transferee of all or any portion of an Interest shall take subject to the restrictions on transfer imposed by this Agreement.

7.05 Company Repurchase Right. If a Member makes a Transfer of an Interest that violates the provisions of this Agreement, or attempts to make a Transfer of an Interest which is void as a result of the provisions of this Agreement, in addition to any other remedies available at law or in equity, then the Company shall have the irrevocable right to purchase such Interest for fair market value. The Company shall have the right to exercise its repurchase right for a period of one hundred eighty (180) days following the Managing Member's receipt of actual notice of the applicable Transfer. For purposes of this Section 7.05, fair market value shall be determined by agreement of the Member and the Managing Member, or if an agreement cannot be reached within thirty (30) days of written notice from the Managing Member, by an independent appraisal firm selected by the Managing Member. Any such appraisal shall determine the value of the affected Member's Interest net of any indebtedness of the Company and any Subsidiaries, with all appropriate discounts including, but not limited to, discounts for lack of marketability and being a

minority interest. The fair market value as determined by such appraisal shall be final and binding on the Member.

7.06 Substitution of Members.

(a) Notwithstanding anything to the contrary expressed or implied in this Agreement, a transferee of an Interest shall not have the right to become a substitute Member until each of the following is true: (a) the written consent of the Managing Member is obtained and the conditions of Section 7.02 have been met; and (b) such Person pays any reasonable expenses in connection with such Person's admission as a new Member. The admission of a substitute Member shall not result in the release of the Member who assigned the Interest from any liability that such Member may have to the Company. The Managing Member shall amend **Schedule A** as necessary to reflect the admission of any substitute Member, in each case, without the consent or approval of any other Person.

(b) In the event that (i) the Company elects or is required by applicable law to recognize a Transfer not in compliance with this Agreement, or (ii) the transferee of an Interest Transferred in accordance with this Article 7 is not admitted as a substitute Member pursuant to this Article 7, such transferee shall be deemed to have had assigned to him, and shall be entitled to receive, distributions from the Company and allocations of Net Profits and Net Losses (and items comprising Net Profits and Net Losses) of the Company attributable to the Interest assigned to such transferee, but shall have no right to (i) become a Member, (ii) vote such Interest with respect to any matter submitted to the Members for a vote, (iii) exercise any rights of a Member under the Act or this Agreement (including but not limited to access to information and to receipt of reports) other than those set forth in this paragraph, or (iv) act as an agent of the Company or any Member. A transferee of an Interest who is not admitted as a substitute Member, whether or not he has accepted in writing the terms and conditions of this Agreement and assumed in writing the obligations of the transferor, shall be deemed, by acquisition of such Interest, to have agreed to be subject to and bound by all the terms and conditions of this Agreement with the same effect as the transferor of such Interest and, if such transferee desires to transfer such Interests, such transferee shall be subject to all the provisions of this Article 7 to the same extent and in the same manner as any Member desiring transfer of his Interest.

7.07 Mandatory Sale.

(a) Anything to the contrary herein notwithstanding, upon the happening of any of the following events:

(i) the Bankruptcy of a Class A Member;

(ii) the Interest of a Class A Member is attached or garnished, and such attachment is not discharged or vacated within ninety (90) days from the date it became effective;

(iii) any judgment is obtained in any legal or equitable proceeding against a Class A Member, including any matrimonial action, and the sale or

Transfer of all or a portion of the Class A Member's Interest is contemplated or threatened under legal process as a result of such judgment;

(iv) any execution process is issued against a Class A Member or against a Class A Member's Interest;

(v) the appointment of a receiver to manage a Class A Member's property; or

(vi) any other form of legal proceedings or processes are threatened or commenced, in which the relief sought is the sale, either voluntarily or involuntarily, of all or a portion of the Interest of a Class A Member;

the Company is hereby granted an irrevocable right and option to purchase from the affected Class A Member or his or her successor in interest, as the case may be, the Interest of the Class A Member whose Interest is encumbered or affected by any such event(s), as though the Class A Member whose Interest is so encumbered or affected had actually given an offer for sale of his or her Interest as of the date immediately preceding any such event(s). The Company shall exercise its option to purchase by written notice to the affected Class A Member or his successor in interest, as the case may be.

(b) As consideration for the purchase of the Interest, the Company shall have the option to give to the selling Class A Member, its note for the full purchase price. The principal of this note shall be payable in twenty (20) equal annual installments. Interest shall be payable annually at the rate of 4% per year. The note shall specify that in the event the Company has insufficient cash flow to make payments of principal or interest, payment shall accrue to the note holder but that failure to make timely payment shall not constitute default. The Company shall pay accrued interest and principal as soon as its cash flow allows. However, the Company shall be required to pay interest and principal which has accrued under this note to the extent a hypothetical owner of Interest representing a capital contribution of the face amount of the note, would be entitled to receive a cash distribution of the Company profits. In the event of default on this note, the holder shall not have recourse against any Member.

(c) For the purposes of this Section 7.07, the purchase price for the Interest of the Class A Member shall be determined by a qualified appraiser to be designated by the Managing Member. Any such appraisal shall determine the value of the affected Class A Member's Interest net of any indebtedness of the Company and any Subsidiaries, with all appropriate discounts including, but not limited to, discounts for lack of marketability and being a minority interest. The closing of the transaction shall occur within ten (10) days of the issuance of the appraisal report.

ARTICLE 8 - BOOKS AND RECORDS; ACCOUNTING; TAX MATTERS

8.01 Books and Records. The Managing Member shall cause the books and records of the Company to be kept, and the financial position and the results of its operations to be recorded,

in accordance with the accounting methods followed for federal income tax purposes. The books and records of the Company shall reflect all the Company transactions and shall be appropriate and adequate for the Company's business. Such books, records, financial statements, and documents shall include, but not be limited to, the following: (a) a current list of the full name and last known business or residence address of each Member; (b) a current list of the full name and business or residence address of the Managing Member; (c) the Certificate, including all amendments; and any powers of attorney under which the Certificate or amendments were executed; (d) federal, state, and local income tax or information returns and reports, if any, for the six most recent taxable years; (e) this Agreement and any amendments thereto; (f) internal books and records for the current and three most recent years; and (g) a true copy of relevant records indicating the amount, cost, and value of all property which the Company owns, claims, possesses, or controls.

8.02 Delivery to Members and Inspections. Each Member shall have the right, upon request for purposes reasonably related to the interest of that Person as a Member, to obtain copies of the information required to be maintained by Section 8.01. Any request, inspection, or copying of information by a Member under this Section 8.02 may be made by that Person or that Person's agent or attorney. The inspecting or requesting Member shall reimburse the Company for all reasonable costs and expenses incurred by the Company in connection with such inspection and copying of the Company's books and records.

8.03 Annual Statements. The Managing Member shall cause to be prepared at least annually information necessary for the preparation of the Members' federal and state income tax and information returns. The Company shall send, or cause to be sent, to each Member within ninety (90) days after the end of each Fiscal Year, or as soon as practicable thereafter, such information as is necessary to complete such Member's federal and state income tax or information returns, and a copy of the Company's federal, state, and local income tax or information returns for that Fiscal Year. The Managing Member shall cause the income tax and information returns for the Company, if any, to be timely filed with the appropriate authorities; provided, however, that such income tax or information returns may not be filed until the Managing Member approves such filing.

8.04 Other Filings. The Managing Member also shall cause to be prepared and timely filed, with appropriate federal and state regulatory and administrative bodies, amendments to, or restatements of, the Certificate and all reports required to be filed by the Company with those entities under the Act or other then current applicable law, rules, and regulations. The Managing Member may prepare, execute, and file that document with the appropriate authority.

8.05 Bank Accounts. The Managing Member shall maintain the funds of the Company in one or more separate bank accounts in the name of the Company, and shall not permit the funds of the Company to be commingled in any fashion with the funds of any other person.

8.06 Accounting and Reliance on Others. All decisions as to accounting matters, except as otherwise specifically set forth herein, shall be made by the Managing Member. The Managing Member may rely upon the advice of the Company's accountants as to whether such decisions are in accordance with accounting methods followed for federal income tax purposes.

8.07 Tax Matters.

(a) Taxation as Partnership. The Company shall be treated as a partnership for all tax purposes. The Company shall avail itself of any election or procedure available under the Code or the Regulations and under state and local tax law, including any "check-the-box" election, for purposes of having an entity classified as a partnership for tax purposes, and the Members shall cooperate with the Company in connection therewith and hereby authorize taking whatever actions and executing whatever documents are necessary or appropriate to effectuate the foregoing.

(b) Partnership Representative. The Managing Member, and Jonathan Wyss as the designated person on behalf of the Managing Member, is hereby designated as the "partnership representative" of the Company as that term is defined in Section 6223(a) of the Code (the "Representative"). The Managing Member may appoint a successor Representative and may amend this Agreement without consent of the Members in connection therewith. In carrying out his responsibilities, the Representative shall represent the Company at its expense in connection with any tax examination or proceeding and shall have authority to make such elections (including, but not limited to, making an election under Code Sections 754 or 6226), take such actions and enter into such agreements as the Representative deems in the best interest of the Members. The Representative shall promptly notify the Members in writing of the commencement of any tax audit of the Company, upon receipt of a tax assessment and upon receipt of a notice of final partnership adjustment, and shall keep the Members reasonably informed of the status of any tax audit and resulting administrative and judicial proceedings. Notwithstanding the foregoing, the Representative shall obtain the prior written consent of the Members holding a Majority in Interest of the Class or Classes of Interests that may be affected by the applicable audit or proceeding prior to agreeing to extend the statute of limitations, filing a request for administrative adjustment, filing suit relating to any Company tax refund or deficiency, or entering into any settlement agreement relating to items of income, gain, loss, or deduction of the Company with any taxing authority.

(c) Each Member agrees that such Member shall not treat any Company item inconsistently on such Member's federal, state or other income tax return with the treatment of the item on the Company's return. Any deficiency for taxes imposed on any Member (including penalties, additions to tax, or interest imposed with respect to such taxes and taxes imposed pursuant to Code Section 6226) with respect to such Member's Interest shall be paid by such Member and if required to be paid (and actually paid) by the Company, then such Member shall indemnify and hold harmless the Company for such Member's allocable share of the deficiency as determined by the Representative. The provisions of this Section 8.07(c) shall survive the termination, dissolution, liquidation, and winding up of the Company, and the withdrawal of such Member or the Transfer of such Member's Interest.

(d) The Company shall defend, indemnify, and hold harmless the Representative against any and all liabilities sustained as a result of any act or decision concerning Company tax matters and within the scope of such Person's responsibilities as the Representative, so long as such act or decision was done or made in good faith and does not constitute gross negligence or willful misconduct.

ARTICLE 9 - DISSOLUTION AND WINDING UP

9.01 Dissolution. The Company shall be dissolved, its assets shall be disposed of, and its affairs shall be wound up on the first to occur of the following:

(a) The entry of a decree of judicial dissolution pursuant to Section 18-802 of the Act;

(b) ninety (90) days after the date on which the Company no longer has at least one (1) Member, unless a new Member is admitted to the Company during such ninety (90) day period; or

(c) The written determination of the Managing Member to dissolve the Company.

9.02 Winding Up. Upon the occurrence of any event specified in Section 9.01, the Company shall continue solely for the purpose of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors. The Managing Member or, if there is no Managing Member remaining, a Person selected by holders of a majority of Percentage Interest for each Class (the "Liquidator") shall be responsible for overseeing the winding up and liquidation of the Company, shall take full account of the assets and liabilities of the Company, shall either cause its assets to be sold to any Person or distributed to a Member, and if sold, as promptly as is consistent with obtaining the fair market value thereof, shall cause the proceeds therefrom, to the extent sufficient therefor, to be applied and distributed as provided in Section 9.05. All actions and decisions required to be taken or made by such Persons under this Agreement shall be taken or made only with the consent of all such Persons.

9.03 Distributions in Kind. Any non-cash asset distributed to one or more Members shall first be valued at its fair market value to determine the gain or loss that would have been included in the amounts allocated pursuant to Article 6 if such asset were sold for such value. Such gain or loss shall then be allocated pursuant to Article 6, and the Members' Capital Accounts shall be adjusted to reflect such allocations. The amount distributed and charged to the Capital Account of each Member receiving an interest in such distributed asset shall be the fair market value of such interest (net of any liability secured by such asset that such Member assumes or takes subject to). Notwithstanding anything to the contrary in this Agreement, no Member shall have a right to receive distributions in any form other than cash.

9.04 Determination of Fair Market Value. For purposes of Section 9.03, the fair market value of each asset of the Company shall be determined by the Managing Member (or, if there is no Managing Member, by the Liquidator) in his or its commercially reasonable discretion.

9.05 Order of Distributions on Liquidation. After determining that all known debts and liabilities of the Company in the process of winding up, including, without limitation, debts and liabilities to Members who are creditors of the Company, have been paid or adequately provided for in accordance with the Act, the remaining assets shall be distributed to the Members in accordance with Section 6.07(b). Such liquidating distributions shall be made by the end of the Fiscal Year in which the Company is liquidated, or, if later, within ninety (90) days after the date of such liquidation. Notwithstanding the foregoing, the Managing Member (or, if there is no

Managing Member, by the Liquidator) shall have the right, in its reasonable discretion, to retain such amount as it deems necessary as a reserve for any contingent liability or obligations of the Company, which reserves, after the passage of a reasonable period of time, shall be distributed pursuant to the provisions of this Section 9.05.

9.06 Limitations on Payments Made in Dissolution. Notwithstanding that the assets of the Company remaining after payment of or due provision for all debts, liabilities, and obligations of the Company may be insufficient to return the Capital Contributions or share of Net Profits reflected in such Member's positive Capital Account balance, a Member shall have no recourse against the Company, the Managing Member, or any other Member. In no event shall any Member be obligated to restore deficit Capital Account balances at liquidation or otherwise.

9.07 Certificate of Cancellation. The Managing Member, or if there is no Managing Member, the Liquidator, shall execute and cause to be filed in the office of, and on a form prescribed by, the Delaware Secretary of State, a certificate of cancellation of the Certificate upon the completion of the winding up of the affairs of the Company.

9.08 Termination. The Company shall terminate when all of the assets of the Company have been distributed in the manner provided for in this Article 9, and the certificate of cancellation of the Certificate is filed in accordance with Section 9.07.

9.09 No Action for Dissolution. Except as expressly permitted in this Agreement, a Member shall not take any voluntary action that directly causes the dissolution of the Company. The Members acknowledge that irreparable damage would be done to the goodwill and reputation of the Company if any Member should bring an action in court to dissolve the Company under circumstances where dissolution is not required by the provisions of this Agreement. The Members acknowledge that this Agreement provides fair treatment of all parties and equitable payment in liquidation of the Interests. Accordingly, except where the Managing Member has failed to liquidate the Company as required by the express provisions of this Agreement, each Member hereby waives and renounces his or her right to initiate legal action to seek the appointment of a receiver or trustee to liquidate the Company or to seek a decree of judicial dissolution of the Company. Damages for breach of this Section 9.09 may be offset against distributions by the Company to which such Member would otherwise be entitled.

ARTICLE 10 - REPRESENTATIONS AND WARRANTIES OF MEMBERS

Each Member represents and warrants to the Company, the Managing Member, and the other Members as follows, which representations and warranties are in addition to any representations and warranties of such Member under any Subscription Agreement(s) executed by such Member:

10.01 Experience. By reason of his, her or its business or financial experience, such Member is capable of evaluating the risks and merits of an investment in the Company and of protecting his, her or its own interests in connection with this investment.

10.02 Advertising. Such Member has not seen, received, been presented with, or been solicited by any leaflet, public promotional meeting, newspaper or magazine article or

advertisement, radio or television advertisement, or any other form of advertising or general solicitation with respect to the sale of the Interest.

10.03 Accredited Investor; No Registration. Such Member is an "accredited investor" within the meaning of Rule 501 of Regulation D promulgated under the Securities Act of 1933, as amended. Such Member understands that (a) an investment in the Company involves substantial and a high degree of risk, (b) no federal or state agency has ruled on the offer and sale of the Interest in the Company, (c) he, she, or it must bear the economic risk of such Member's investment in the Company for an indefinite period of time, since such Member's Interest in the Company has not been registered for sale under the Securities Act of 1933 and, therefore, cannot be sold or otherwise transferred unless subsequently registered under the Securities Act of 1933 or an exemption from such registration is available, and the Interest in the Company of such Member cannot be sold or otherwise transferred unless registered under applicable state securities or blue sky laws or an exemption from such registration is available, and such Member is capable to do so as an "accredited investor," (d) there is no established market for the Interest of such Person in the Company and no public market will develop, and (e) if such Member is not an individual, such Member's shareholders, partners, members, managers, officers, and directors, as applicable, have such knowledge and experience in real estate and other financial and business matters that they are capable of evaluating the merits and risks of an investment in the Company.

10.04 No Market. Such Member understands that there is no market for the Interests and no assurance that any such market will develop.

10.05 Own Account. Such Member is acquiring the Interests for such Member's own account and not as a fiduciary or nominee for any other person and for investment purposes only and not with a view to or for the transfer, assignment, resale, or distribution thereof, in whole or in part. Such Member has no present plans to enter into any such contract, undertaking, agreement, or arrangement. Such Member understands the meaning and legal consequences of the foregoing representations and warranties. Such Member is not an "underwriter" of any of the Company's securities, as that term is defined in Section 2(11) of the Act, and such Member will not take or cause to be taken any action that would cause Such Member to be deemed an "underwriter" of the securities.

10.06 OFAC. Neither such Member nor, if such Member is not an individual, any of such Member's partners, members, shareholders, beneficiaries, trustees, or equity owners is a person or entity with whom U.S. persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("OFAC") of the Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons List) or under any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism).

10.07 Investigation. Such Member (a) has had the opportunity to ask the Company and its representatives any and all relevant questions in connection with any aspect of the Company, and has received answers to any such questions that the undersigned considers to be satisfactory, and (b) has been advised by the Company to consult his, her or its own counsel and tax advisor with respect to the execution of this Agreement. Such Member is not relying on the Company, the

Managing Member, or any of their representatives or agents with respect to the tax consequences of investing in the Company.

10.08 Due Authorization, Enforceability, Etc.. To the extent such Member is not an individual, it is duly organized, validly existing and in good standing under the laws of its jurisdiction of formation with all requisite power and authority to enter into this Agreement, and action on the part of such Member necessary for the authorization, execution and delivery of this Agreement, and the consummation of the transactions contemplated hereby, have been duly taken. This Agreement constitutes the legal, valid and binding obligation of such Member enforceable in accordance with its terms. No consents or approvals are required from any governmental authority or other person or entity for such Member to enter into this Agreement. The execution and delivery of this Agreement by such Member, and the consummation of the transactions contemplated hereby, does not conflict with or contravene the provisions of its organizational documents (to the extent such Member is an entity) or any agreement or instrument by which it or its properties are bound or any law, rule, regulation, order or decree to which it or its properties are subject.

10.09 No Property Representations. Such Member hereby acknowledges that such Member is not relying on any information provided by the Company, the Managing Member, or any of their respective partners, managers, affiliates, directors, employees, agents or officers with respect to the condition of the Property. Without limiting the foregoing, each Member hereby acknowledges that he, she or it is not relying upon any statements, representations or warranties whatsoever, made by the Managing Member relating to the financial performance, condition, operations, dimensions, descriptions, soil condition, suitability, compliance or lack of compliance with any state, federal, county or local law, ordinance, order, permit or regulation, or any other attribute or matter of or relating to the Property, including without limitation: (a) the structural integrity of the Property; (b) the conformity of the Property to any plans or specifications for the Property; (c) the conformity of the Property to past, current or future applicable zoning or building code requirements; (d) the existence of soil instability, past soil repairs, soil additions or conditions of soil fill, or susceptibility to landslides; (e) the financial or economic performance, targets, projections, pro-formas whether or not created by the Managing Member; (f) the sufficiency of any drainage; (g) whether the Property is located wholly or partially in a flood plain or a flood hazard boundary or similar area; (h) the existence or non-existence of toxic or hazardous wastes or materials or friable asbestos or asbestos containing construction materials in on or about the Property; (i) any other matter affecting the stability or integrity of the land, or any buildings or improvements situated, or to be situated, on or as part of the Property; (j) the fitness or suitability of the Property for any intended uses; (k) the potential further development of the Property; and (l) the existence of vested land use, zoning or building entitlements.

ARTICLE 11 - MISCELLANEOUS

11.01 Amendment. This Agreement may be amended only upon the written consent of the Managing Member with the vote or written consent of the Managing Member and a Majority In Interest of the Class A Members; provided, however, that:

(a) Except with regard to amendments otherwise specifically required under this Agreement, there shall be no amendment to this Agreement which (a) increases a Member's obligation to make Capital Contributions to the Company, or (b) imposes

personal liability upon a Member for any debts or obligations of the Company unless, in each case, the amendment is consented to by such Member;

(b) The Managing Member, acting alone, may without the consent of or prior notice to any Member, may amend any provision of this Agreement (i) to elect for the Company to be bound by any successor statute governing limited liability companies and to elect for the Company to be reorganized as a limited liability company governed by and under the laws of a jurisdiction other than the State of Delaware, (ii) to conform this Agreement to changes in the Act, the Code, or other applicable law or interpretations thereof which the Managing Member believes appropriate, necessary, or desirable, provided that such amendment does not have a material adverse effect upon the Members or the Company, (iii) to reflect the exercise of any power granted to the Managing Member under this Agreement, (iv) to make any change that, in the sole discretion of the Managing Member, is advisable to qualify or to continue the qualification of the Company as a limited liability company under the laws of any state or that is necessary or advisable, in the sole discretion of the Managing Member, to ensure that the Company will not be treated as an association taxable as a corporation for federal income tax purposes, (v) to amend this Agreement and the Schedules hereto with respect to any Transfers, creation of additional Classes, admission of additional Members, or other changes in accordance with this Agreement; (vi) to change the name of the Company, (vii) to cure any ambiguity or correct or supplement any provisions herein contained which may be incomplete or inconsistent with any other provision herein contained; (vii) to correct any typographical errors contained herein, or (viii) in any other manner which any express provision of this Agreement permits the Managing Member, acting alone, to amend this Agreement.

11.02 Complete Agreement. 11.10 Waiver. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement or condition.

11.11 Waiver of Jury Trial. WITH RESPECT TO ANY DISPUTE ARISING UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY RELATED AGREEMENT, AS TO WHICH LEGAL ACTION OCCURS, EACH MEMBER HEREBY IRREVOCABLY WAIVES ALL RIGHTS SUCH MEMBER MAY HAVE TO DEMAND A JURY TRIAL. THIS WAIVER IS KNOWINGLY, INTENTIONALLY, AND VOLUNTARILY MADE BY THE MEMBERS AND EACH MEMBER ACKNOWLEDGES THAT NONE OF THE OTHER MEMBERS NOR ANY PERSON ACTING ON BEHALF OF THE OTHER PARTIES HAS MADE ANY REPRESENTATION OF FACT TO INDUCE THIS WAIVER OF TRIAL BY JURY OR IN ANY WAY TO MODIFY OR NULLIFY ITS EFFECT. EACH MEMBER FURTHER ACKNOWLEDGES THAT SUCH MEMBER HAS BEEN REPRESENTED (OR HAS HAD THE OPPORTUNITY TO BE REPRESENTED) IN THE SIGNING OF THIS AGREEMENT AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, SELECTED OF SUCH MEMBER'S OWN FREE WILL, AND THAT SUCH MEMBER HAS HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL. EACH MEMBER FURTHER ACKNOWLEDGES THAT SUCH MEMBER HAS READ AND UNDERSTANDS THE MEANING AND RAMIFICATIONS OF THIS WAIVER PROVISION.

11.12 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

11.13 Incorporation of Exhibits and Schedules. The Schedules identified in this Agreement are incorporated herein by reference and made a part hereof.

11.14 Additional Documents and Acts. Each Member agrees to execute and deliver, from time to time, such additional documents and instruments and to perform such additional acts as may be necessary or appropriate to effectuate, carry out, and perform all of the terms, provisions, and conditions of this Agreement and the transactions contemplated hereby.

11.15 Equitable Remedies. Each Member acknowledges and agrees that the Company would be damaged irreparably in the event any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise are breached. Accordingly, each Member agrees that the Company shall be entitled to an injunction or injunctions to prevent breaches of the provisions of this Agreement and to enforce specifically this Agreement and the terms and provisions hereof in any action instituted in any court of the United States or any state thereof having jurisdiction over the parties and the matter (subject to the provisions set forth in Section 11.16 below), in addition to any other remedy to which it may be entitled, at law or in equity.

11.16 Arbitration.

(a) Any controversy, claim or dispute arising out of or relating to any provision of this Agreement or the arbitrability of any such controversy, claim or dispute (collectively, a "Dispute") as to which a Party otherwise would have the right to pursue litigation will be resolved as provided for in this Section 11.16 which shall be the sole and exclusive procedures for the resolution of any dispute except as otherwise specifically provided in this Agreement.

(b) This Section 11.16 shall survive termination of this Agreement. The parties intend that the provisions hereunder shall encompass any other statutory and common law rights, obligation or duties, whether or not specifically referred to herein, of a similar or dissimilar nature, which are or may be granted to any party hereto, by the laws of any state or country in which any party resides.

(c) If any party has a Dispute with any other party, then the parties shall meet in good faith to resolve such Dispute. If the parties are unable to resolve such Dispute within thirty (30) days, such Dispute will be settled by binding arbitration under the procedures set forth in this Section 11.16.

(d) Any party may commence arbitration by written notice to the other party in the Dispute. Thereafter, arbitration shall be conducted in the manner described in subsections (e)-(f) below.

(e) Arbitration shall be the exclusive remedy for any Dispute. Any party may apply to the Exclusive Venue (as defined in subsection (g) below) for injunctive, specific enforcement or other relief in aid of the arbitration proceedings or to enforce judgment of the award in such arbitration proceeding, but not otherwise. Any award issued by the arbitrators as pursuant to these provisions may be entered and enforced in the Exclusive Venue and any other appropriate jurisdiction.

(f) Arbitration proceedings shall be conducted as follows:

(i) Within ten (10) days after a notice has been given pursuant to Section 11.18, the parties shall attempt to designate a mutually agreed upon arbitrator. If the parties are unable to agree on an arbitrator, then either party may apply to JAMS for designation of the arbitrator.

(ii) Except as set forth herein, the arbitrator shall apply the JAMS Streamlined Arbitration Rules (the "Rules") for the conduct of the arbitration. All proceedings conducted shall be deemed private and confidential and neither the fact that such proceedings are taking place nor the content of such proceeding, nor any settlement or award thereunder shall be disclosed, unless required by legal process, to the public or any third person or entity (other than the other parties) by the arbitrator or the parties to the arbitration. The parties agree that it would be in the best mutual joint interest of the parties that the arbitration proceedings and hearings shall be held in Washington, D.C. (unless otherwise agreed by the parties or decided by the arbitrator). The rules of civil procedure and evidence normally applicable in judicial proceedings shall not apply.

(iii) The arbitrator shall conduct the arbitration as expeditiously as possible and issue a decision not later than one hundred twenty (120) days after the arbitrator has been designated.

(iv) The arbitrator shall render such award as is proper under the evidence applying the applicable substantive law of Delaware notwithstanding that a party to a Dispute may be a resident of another state or country or that the arbitration is taking place in Washington, D.C. or elsewhere. The parties acknowledge that they are entitled to apply for and receive equitable relief from the arbitrator including, without limitation, injunctions and orders of specific performance. No remedy awarded by the arbitrator is exclusive of any other remedy. The arbitrator shall issue a brief written opinion containing a statement of the grounds for the award and the method of determining any damages awarded. The award of the arbitrator shall be final and binding on all parties and may be entered as a judgment, under seal, and enforced in the appropriate jurisdiction. The fees and expenses of the arbitrator shall be shared by the parties. Each party shall bear such party's own costs of the arbitration, unless otherwise determined by the arbitrator.

(g) If any court or tribunal of competent jurisdiction shall refuse to enforce this Section 11.16 or determine that a matter is not a Dispute, then, and only then, shall these

alternative provisions of this Section 11.16(g) be applicable. The parties agree that it would be in the best mutual joint interest of the parties that, in such event, venue for litigation shall be held exclusively in the state and federal courts located in the State of Delaware (the "Exclusive Venue"). The parties agree not to institute any litigation except in the Exclusive Venue and further agree that specific enforcement of this covenant with respect to Exclusive Venue may be awarded to the parties by means of all available legal or equitable remedies, including, without limitation, a temporary restraining order. The parties hereby submit to the personal jurisdiction of the Exclusive Venue, waive any defense of inconvenient forum to the maintenance of any action or proceeding to be brought, and waive any requirement for setting or posting bond for a temporary restraining order. Any party may make service on any other party by sending or delivering a copy of the process to the party to be served at the address and in the manner provided for the giving of notices in Section 11.18. Nothing in this Section 11.16 shall affect the right of any party to serve legal process in any other manner permitted by law or at equity. The parties hereby waive any right they may have to a jury trial in any litigation brought in accordance with this Agreement. Each party agrees that a final judgment in any action or proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by law or at equity.

11.17 No Interest in Company Property; Waiver of Certain Rights. No Member has any interest in specific property of the Company. Without limiting the foregoing, each Member irrevocably waives during the existence of the Company: (i) any right that it may have to maintain any action for partition with respect to the property of the Company, (ii) any right that it may have to maintain any action for, or cause, the division of the Company; and (iii) any right to have its Interest in the Company appraised and paid out under the circumstances provided in Section 18-210 of the Act, or under any other circumstances.

11.18 Notices. Except as set forth to the contrary in this Agreement, any notice, demand, consent, election, offer, approval, request, or other communication (collectively a "notice") required or permitted under this Agreement must be in writing and either delivered personally, sent by courier or sent by certified mail, postage prepaid, return receipt requested. A notice must be addressed to a Member at the Member's last known address on the records of the Company. A notice to the Managing Member or the Company must be addressed to the Company's principal office located at: 10221 River Road, #59831, Potomac, MD 20859, Attn.: Austin Berk and Jonathan Wyss. All notices may additionally be sent by e-mail; provided, that no notice shall be deemed to have been given by email without automatic confirmation of receipt from the recipient's email system. A notice sent by courier will be deemed to be given on the date on which the courier confirms that the notice was delivered to and signed for at the recipient's address. A notice sent by mail will be deemed given three (3) business days after it is mailed. A notice sent by email will be deemed received on the date if delivery or, if sent on a non-business day (according to the recipient's business calendar) on the next business day. Any party may designate, by notice to all of the others, substitute addresses or addressees for notices; and, thereafter, notices are to be directed to those substitute addresses or addressees. It is the responsibility of each Member to notify the Company and the Managing Member of any change to such Member's mailing address and e-mail address by written notice in accordance with this Section 11.18.

11.19 Remedies Cumulative. The rights and remedies of the Company, the Members, and the Managing Member contained herein are cumulative and not alternative.

11.20 Power of Attorney.

(a) Each Member hereby irrevocably constitutes and appoints the Managing Member as its true and lawful attorney and agent, in its name, place and stead to make, execute, acknowledge and, if necessary, to file and record:

(i) Any certificates or other instruments or amendments thereof which the Company may be required to file under the Act or pursuant to the requirements of any governmental authority having jurisdiction over the Company or which the Managing Member shall deem it advisable to file, including, without limitation, this Agreement, any amended Agreement and a notice of dissolution as provided in this Agreement;

(ii) Any certificates or other instruments (including counterparts of this Agreement with such changes as may be required by the law of other jurisdictions) and all amendments thereto which the Managing Member deems appropriate or necessary to qualify, or continue the qualification of, the Company as a limited liability company and to preserve the limited liability status of the Company in the jurisdictions in which the Company may acquire investments;

(iii) Any certificates or other instruments which may be required in order to effectuate any change in the membership of the Company or to effectuate the dissolution and termination of the Company pursuant to this Agreement; and

(iv) Any amendments to any certificate or to this Agreement necessary to reflect any other changes made pursuant to the exercise of the powers of attorney contained in this section or pursuant to this Agreement.

(b) Each Member's power of attorney granted under this Section 11.20 shall be irrevocable and further, shall be deemed to be "coupled with an interest." A copy of each document executed by the Managing Member pursuant to the powers of attorney granted in this Section 11.20 shall be transmitted to each Member promptly after the date of execution of such document.

(c) The powers of attorney granted herein shall survive Transfer of all or any portion of an Interest by any Member, provided that if such Transfer was of all of such Member's Interest and the substitution of the assignee as a Member has been consented to by the Managing Member, the foregoing powers of attorney shall survive the delivery of such Transfer for the purpose of enabling the Managing Member to execute, acknowledge and file any and all certificates and other instruments necessary to effectuate the substitution of the assignee as a substitute Member. Such powers of attorney shall survive the death, dissolution or termination of a Member and shall extend to such Member's successors and assigns.

(d) Except as expressly set forth in Section 11.01, the powers of attorney granted under this Section 11.20 cannot be utilized by the Managing Member for the purpose of increasing or extending any financial obligation or liability of a Member or altering the method of division of profits and losses or the method of distributions in connection with the investment of a Member without the written consent of such Member.
