Dear Valued Gulf Breeze Residents,

We hope this letter finds you all safe and healthy given this past year's long pandemic. We are reaching out to ask all of you for assistance in getting our community cleaned up. We have put Rules and Regulations in place to help us have a community that we can all be **PROUD** to call home. This letter serves as an official notice requesting you all to please correct issues at your homesite. We need you to please read the below listing of items and make sure they are addressed and compliant before the deadline expires. If for some reason you are unable to meet the specific date, please call or come to an office to meet with your CM to get an extension. Please know that Parakeet Communities wants to work in partnership alongside you in improving our community, so we need **YOU**, our residents, to do your part.

Please know that if you fail to comply timely, unfortunately it will force us to take additional action. Also know that once legal action starts, a cost is associated with each corrective step along the way. The deadline for compliance is July 29th, however your CM may require an earlier deadline depending on whether the issue is a liability. We appreciate your cooperation and attention to this important matter.

We plan to have a community clean-up soon.

Thank you,

Regional Management
Parakeet Communities
