2 items logged · 1 waiting on a decision

These are our notes from the visit, straight from the walk-through and the conversation on site. Nothing here is a directive yet. If something is already done, wrong, or you disagree with it, say so — that is more useful to us than a clean list. Reference numbers are in brackets so you can quote them back.

SITE OPS, STAFFING & EQUIPMENT

- landscaper is awful. Maintenance said if he has a mower and trailer he could do it [PF-0421]

  Logged jointly for Crystal Acres and Hunter Springs.

- The primary landscaper covering Crystal Acres and Hunter Springs is underperforming and the on-site maintenance person is redoing his work. Proposal is to buy a zero-turn mower and small trailer so maintenance can take landscaping in-house and cut cost. Including lawn care for all residents as an added service was raised to ensure uniform maintenance, with no decision on inclusion or pricing. NEEDS A DECISION

WHAT WE NEED BACK FROM YOU

Send corrections and status to your regional manager, **Alex Pontes**. Quote the reference number. Three things help most: what is already finished, what is wrong on this list, and what you would put first if you could only pick one.
