Auburn, GA | 160 units (128 MH lots + duplex apartments) | JREF II | Regional manager: Liz Santiago

11 items logged · 3 waiting on a decision · 1 for next year's budget · 1 working well

These are our notes from the visit, straight from the walk-through and the conversation on site. Nothing here is a directive yet. If something is already done, wrong, or you disagree with it, say so — that is more useful to us than a clean list. Reference numbers are in brackets so you can quote them back.

CAPITAL & INFRASTRUCTURE

- Roads are in good condition; roughly three remaining speed bumps need paint.
- A significant share of spend goes to buying water from the City of Auburn; restoring the property well was considered and rejected as too burdensome given treatment, testing and licensing requirements. 2027 BUDGET
- 128 MH lots are metered as follows: lots 1-58 sub-metered with Metron meters; the balance on city meters at roughly $5,000 each. Water pipes are buried 5-6 feet deep, making leak detection difficult. Proposal to install a Metron meter downstream of the main city meter to catch supply-line leaks: cost and feasibility not yet assessed. NEEDS A DECISION

CURB APPEAL & SITE STANDARDS

- Mailbox and move to front / add picnic table [PF-0355]
- Follow up on an entrance sign near lots 6 and 114.

AMENITIES & COMMON AREAS

- Additional bus stop with kids [PF-0356]
- Old office structure could be repurposed by removing the concrete and adding a picnic table, or converted to a community library. No decision made. NEEDS A DECISION

RESIDENT ISSUES & ENFORCEMENT

- Path Kids Club, a nonprofit renting a home on the property, runs homework nights and children's programs. Police report a significant reduction in crime since new ownership and the club's arrival. A $500 gift card was provided toward flooring replacement. WORKING WELL
- Further donation to Path Kids Club for new flooring was agreed in principle; amount and mechanism not specified. NEEDS A DECISION

SITE OPS, STAFFING & EQUIPMENT

- Golf cart [TD-0040]
- Utility golf cart needed to cover the property; a model with a folding back seat was suggested.

WHAT WE NEED BACK FROM YOU

Send corrections and status to your regional manager, **Liz Santiago**. Quote the reference number. Three things help most: what is already finished, what is wrong on this list, and what you would put first if you could only pick one.
