    - Copy of resident's ID
        - Acceptable proof of identification include:
            - State-issued driver's license or ID card with photo
            - US passport with proof of valid visa
2. Title Department will draft 3 copies of Power of Attorney's (POAs) with buyer's information.
    - POAs will be emailed to Community Manager
3. Community manager will have buyer sign **all 3 POAs in blue ink**.
    - Once POA's have been signed, Community Manager will email scanned copies to Title Department
    - Title Department will provide a label to have POAs mailed to MD office.
4. Title Department to complete title package when POAs are received.
    - Title package includes:
        - Cover Sheet
        - Title
        - POAs
        - Copy of Buyer's ID
5. Once title package is complete, Title Department will mail package overnight to Florida Fast Title (FFT).
    - Title Department will notify FFT with the title transfer details and the tracking number of the package
    - Title Department will update Asset Transfer tab in Rent Manager with all details of the title transfer
6. Once the documents are received, FFT will upload and update their customer portal with details on the transfer.
    - Title will be transferred in approximately 7 to 10 business days
7. Once title is received, Title Department will notify Community Manager
    - Title Department will upload title information to Resident's profile and Asset Transfer Tab
    - Community Manager to let Title Department where to mail title (community office or to buyer)
        - Title Department will send tracking number to Community Manager via email
        - If title is mailed to community office, Community Manager to notify Regional Manager and Title Department once title has been handed to buyer.
