

Move-Out Process (Resident-Owned Home — Non-Eviction)
Owner: Natalie Magurne
Last Updated: Jul 3, 2026
Scope: Covers non-eviction move-outs for resident-owned homes, starting when a resident submits a written 30-Day Notice to Vacate and ending when Home Office transitions the current resident out and the new resident in within Rent Manager.

Resident Move-Out and Buyer Approval Process

Diagram information
This diagram maps the end-to-end process for a resident who submits a 30-day notice to vacate, the on-site and regional review/inspection workflow, buyer application and approval steps, and Home Office asset management actions for moving residents out/in and updating records. Key components: Resident actions, On-Site (Community/District) Manager checks, Regional Manager approval, and Home Office/Asset Management updates.

Resident Vacate, Inspection, and Buyer Approval SOP
1. Start: Resident decides to vacate and initiate process.
2. Resident submits a written 30-Day Notice to Vacate to the On-Site Manager.
   2.1. If the notice is not written, instruct the resident to submit a written notice (verbal notices not accepted).
3. On-Site Manager receives the written 30-Day Notice.
4. On-Site Manager forwards the written notice to Home Office.
5. Home Office updates the move-out date in Rent Manager.
6. Home Office generates and sends a move-out report to the Regional Manager and Community Manager.
7. Community Manager conducts an exterior move-out inspection and documents findings.
   7.1. Document findings and submit to Regional Manager.
8. Regional Manager reviews inspection results and resident account.
9. Regional Manager decides whether to approve lot condition and resident account.
   9.1. If approved, notify the On-Site Manager of approval.
      9.1.1. On-Site Manager notifies resident in writing of approval and explains the buyer/residency process and liability rule.
      9.1.2. Resident may proceed with selling the home and direct prospective buyers to apply.
      9.1.3. Prospective buyer applies and, upon approval, Home Office moves the current resident out in Rent Manager.
         9.1.3.1. Home Office moves the new resident in and updates unit status and recurring charges in Rent Manager.
         9.1.3.2. Process ends when move-in/out updates are complete.
   9.2. If not approved, notify resident of required corrections.
      9.2.1. On-Site Manager notifies resident of specific issues to correct.
      9.2.2. Resident corrects lot/account issues as instructed.
      9.2.3. On-Site Manager re-conducts exterior inspection after corrections and documents findings.
      9.2.4. Resubmit documented findings to Regional Manager for review (return to step 8).
10. If a prospective buyer has not applied or been approved, the resident remains financially liable and continues directing buyers to apply (loop until buyer approval).
11. End: Completion occurs after the new resident is moved in and Rent Manager records are updated.
