Title: Lead Intake, Tracking, Application Processing & Screening
Applies To: Community Managers, Screening Coordinator, Regional Managers
Department: Operations
System Used: Rent Manager with Amrent Integration

PURPOSE

This SOP establishes the standard process for receiving, tracking, processing, and screening prospective residents from initial lead intake through final application decision.

The process ensures:

- All leads are properly documented and tracked
- Prospect follow-up is completed consistently
- Applications are processed timely and accurately
- Screening procedures are standardized
- Required documentation is collected
- Communication between teams is organized
- Sensitive applicant information remains confidential

SCOPE

This SOP applies to all Parakeet personnel involved in:

- Lead intake
- Prospect follow-up
- Application processing
- Resident screening
- Approval and denial coordination

RESPONSIBILITIES

Community Manager Responsibilities

- Receiving and logging leads
- Conducting follow-ups
- Assisting prospects with applications
- Documenting prospect communication
- Coordinating move-in timelines

Screening Coordinator: Assigned Personnel - Keiter Abreu

- Reviewing applications for completeness
- Running screenings through AmRent
- Verifying applicant documentation
- Reviewing income qualifications
- Escalating applications requiring further review

Regional Manager Responsibilities

- Reviewing escalated applications
- Providing final approval or denial decisions
- Supporting compliance with screening standards

PROCEDURE

Phase 1: Lead Intake and Tracking

Objective:

- Ensure all incoming leads are properly captured and monitored through the leasing pipeline.

Lead Sources:

Leads may originate from:

- Phone calls
- Emails
- Website inquiries
- Walk-ins
- Paper applications provided by Managers

Step 1: Receive and Log Lead

Process

1. All incoming leads must be entered into Rent Manager immediately upon receipt.
2. In Rent Manager, navigate to:
    a. Prospects > Add Prospect
3. Enter all required prospect information:
    a. Full Name
    b. Phone Number
    c. Email Address
    d. Current Address
    e. Community/Property of Interest
    f. Lead Source
    g. Prospect Notes

Documentation Standard:
Notes must include:

- Desired move-in timeline
- Preferred home type
- Budget expectations
- Special requirements or concerns
- Any relevant communication details

Step 2: Assign Prospect Status

Approved Prospect Statuses

Use the following statuses consistently:

Status	Description
New Prospect	Lead entered but application not started
Application Fee Paid	Fee received but application incomplete
Application Completed	Application submitted and ready for screening
Approved	Prospect approved for move-in
Denied	Prospect denied after screening
Lost	Prospect no longer pursuing rental

Step 3: Send Application

Process:

1. Open the Prospect Profile.
2. Right-click the prospect record.
3. Select Send Application.
4. Verify no duplicate prospect records exist prior to sending.

Step 4: Follow-Up Process

Assigned Personnel

Follow-ups may be completed by:

- Jhoiner Perez (District Manager)
- Keiter Abreu
- Community Managers

Follow-Up Standard

1. Prospects must be contacted regularly, at minimum once per week.
2. All communication must be documented in:
    - History Tab
    - Notes Section

Required Follow-Up Documentation

Document the following:

- Interest level
- Missing requirements
- Move-in timeframe
- Communication attempts
- Questions or concerns raised by the prospect

Step 5: Lead Outcome Management

Lost Lead Criteria

Move a lead to “Lost” status if:

- No response after five follow-up attempts
- Prospect selected another property
- Prospect is no longer interested
- Prospect does not meet qualification standards

Phase 2: Application Processing & Screening

Objective:

- Ensure all applications are reviewed, verified, and screened consistently before approval decisions are made.

Step 1: Application Submission Requirements

Applicant Requirements

Applicants must:

- Complete all application fields
- Upload required documentation
- Sign all consent forms
- Pay the application fee

Important

Applications missing documents or signatures must remain in “New Prospect” status until completed.

Step 2: Application Completeness Review

Required Documentation

Verify the following are received:

- Government-issued ID
- Proof of income
- Minimum supporting income documents:
  - Two recent paystubs
  - W-2 forms
  - Two to three months of bank statements (all pages)
  - Investment account summaries (if applicable)
- Signed consent forms
- Completed application fields

Step 3: Background Screening Process

Process

1. Open the Prospect Profile in Rent Manager.
2. Select Run Screening.
3. Verify all applicant information is complete and accurate.
4. Submit screening request through AmRent.
5. Await screening results.

Screening Timeline

- Background checks may take up to 72 hours.
- Follow-up is required for delayed results.

Step 4: Screening Review

Screening Components

The Amrent report may include:

- Identity verification
- SSN/ITIN validation
- Credit score
- Credit history
- Criminal background
- Bankruptcy history
- Eviction history

Screening Outcomes

Possible results:

- Approved
- Denied
- Further Review Required

Step 5: Income Verification

Verification Standards

1. Confirm annual income matches supporting documentation.
2. Calculate:
    - Rent-to-Income Ratio (R:I)
    - Debt-to-Income Ratio (D:I)

Qualification Requirement

Applicant income must be at least 2.5 times the monthly community lot rent.

Step 6: Decision Workflow

Approved Applications

If Approved:

- Proceed with approval process
- Notify Community Manager
- Coordinate move-in preparation

Denied Applications

If Denied

- Update status to “Denied”
- Notify appropriate Manager
- Move prospect to “Lost”

Escalated Applications

Applications with concerning or unclear findings must be escalated to:

- Community Manager
- Regional Manage

Final Decision Authority

- Regional Manager has final approval authority
- Community Manager provides supporting input
- Rare escalations may be reviewed by Natalie

Step 7: Communication and Documentation

Documentation Requirements

1. All screening decisions must be documented in prospect notes.
2. Maintain complete communication records.
3. Protect applicant confidentiality at all times.

Confidentiality Standards

1. Screening reports are considered highly sensitive
2. Do not distribute full reports unnecessarily
3. Share information only with authorized personnel

STANDARD REQUIREMENTS

Every prospect file must contain:

- Completed application
- Required supporting documents
- Screening results
- Communication history
- Final application decision

All records must be maintained within Rent Manager and documented consistently.

ACCOUNTABILITY

Community Managers

Accountable for:

- Proper lead entry
- Timely follow-ups
- Accurate documentation
- Prospect communication

Screening Coordinator

Accountable for:

- Application review
- Screening accuracy
- Income verification
- Escalation management

Regional Managers

Accountable for:

- Final approval decisions
- Compliance oversight
- Escalated application review
