Resident Turn-In Title Transfer

1. If a resident would like to turn-in a home that's in eviction or about to be in eviction, we will need the signed physical title
    - If the title is not signed, the resident will need to sign **3 POAs in blue ink**.
    - If the resident is unable to sign a title or Power of Attorney (POA), the home will need to go through the eviction process.
    - If resident does not have a title, a duplicate will need to be ordered if the home is in their name
