Final Verification

I physically inspected this home and verified the items above. No assumptions were made regarding utility status or home readiness.

Inspector Signature: _____

Date: _____

Team Expectation Reminder

- Walk every rehab and newly delivered home weekly at minimum.
- Physically verify utilities, cleanliness, and overall readiness.
- Do not rely solely on utility provider information.
- If it has not been physically checked, it is not confirmed.
- Escalate all issues immediately to avoid delays in showings, listings, approvals, or move-ins.
