Title: Generating a Lease in Rent Manager Express
Applies To: Community Managers, Regional Managers and Head of Operations
Department: Operations

Purpose

To provide a clear, step by step process for creating and finalizing a lease agreement in Rent Manager Express

Scope

This SOP applies to all Regional Managers and leasing staff responsible for preparing lease documents for new tenants or renewals.

PROCEDURE:

Step 1: Log In

- Navigate to Rent Manager Express
- Enter your Username and Password
- Ensure you have the correct permission to create lease.

Step 2: Access the Property & Tenant

- From the Dashboard, go to Properties
- Select the property where the lease will be generated
- Navigate to Tenants and select the tenant profile.

Step 3: Start Lease Creation

- Click Leases in the Tenant Profile
- Select New Lease or Renew Lease
- Choose Lease Template
- Confirm the Unit and Tenant Details

Step 4: Enter Lease Details

- Lease Start Date and Lease Terms (Make sure the lease start and end date line up)
- Rent Amount and Payment Frequency. (Make sure the rental amount / deposit or increase amount is accurate.)
- Make sure Recurring Charges (utilities, parking, etc.) are properly added
- Security Deposit - Make sure Security Deposit is added in the lease if applicable

Step 5: Generate Document

- Click Generate Lease Document
- Review the PDF Overview for accuracy
- Print document for Resident to sign (only if you are not sending via Signable document)

Step 6: Send for Signature

- Use Rent Manager's e-Signature feature or download and send manually
- Track the status under Signable Documents

Step 7: Finalize

- Once signed, upload the signed copy to the tenant's profile under the History /Notes, Lease Agreement. (Only if it's paper copy, not need if it's sent through Signable documents.
- Verify all tenant and property details
- Ensure rent and charges match the approved amounts
- Confirm signatures are complete
