Before the Visit

- ☐ Schedule the visit with the Community Manager and Maintenance Lead.
- ☐ Review the previous 30-Day Facilities Follow-Up Plan and any unresolved items.
- ☐ Print or download the current 30-Day Facilities Follow-Up Plan template.
- ☐ Prepare your equipment – bring a GoPro or phone for 360° video, a camera for photos, and any inspection tools needed.

During the Visit

- ☐ Walk the property with the Community Manager and Maintenance Lead.
- ☐ Inspect all areas listed in the plan, including safety, equipment, POHs, signage, fencing, trees, and curb appeal.
- ☐ Conduct the Safety Audit and log any hazards with due dates.
- ☐ Perform the Site Visit Inspection for deferred maintenance or violations.
- ☐ Check equipment and inventory, and update asset/transfer list.
- ☐ Take supporting photos and record a GoPro 360° walkthrough, starting at property signage.
- ☐ Note all new items requiring work orders and provide the Community Manager with a list to enter.

Complete the full Follow-Up Plan, including:

- ☐ Safety Audit
- ☐ Site Inspection
- ☐ Equipment & Inventory
- ☐ General Follow-Up items
- ☐ Get sign-off from the Maintenance Tech, Community Manager, and yourself.
