Gentlemen:

This representation letter is provided in connection with your audit of the financial statements of Parakeet Holdco II, LLC (the "Company"), which comprise the statement of assets, liabilities and members' equity - income tax basis as of December 31, 2025, and the related statements of revenues and expenses - income tax basis, changes in members' equity - income tax basis, and cash flows - income tax basis for the year then ended, and the related disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with the basis of accounting the Company uses for income tax purposes, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm as of June 18, 2026, the following representations made to you during your audit:
