Re: Offer of Employment

Dear David:

We are pleased to offer you employment with PARAKEET COMMUNITIES, LLC, a Delaware limited liability company (the "Company"), on the terms set forth in this letter agreement (the "Letter Agreement"), commencing on or before May 1st, 2025, or such earlier or later date as agreed upon by you and the Company in writing.

Position; Duties: You will be employed by the Company as a Corporate Controller, reporting to Austin Berk or his designee(s) from your location in the State of Maryland. Commencing on July 1, 2026, you title will change to Chief Financial Officer, continuing to report to Austin Berk from your location in the State of Maryland. This is a regular, full-time position, which means that you will be expected to work at least 40 hours per workweek (except for approved time off). A copy of your job description is attached for reference. Your role will include, but may not be limited to, the scope of activities set forth in the written job description.

You agree to at all times perform your duties and responsibilities honestly, diligently, in good faith and to the best of your ability and shall observe and comply in all material respects with all of the policies and procedures established by the Company that are applicable to the Company's employees, and with all applicable laws, rules and regulations imposed by any governmental or regulatory authorities. As a full-time employee, you will be expected to devote your full-time best efforts to the business of the Company and may not work for a third-party or engage in any self-employment if such work would result in a conflict of interest or interfere with your responsibilities or the performance of your duties under this Letter Agreement. You shall, however, have no authority to enter into any contracts on behalf of or binding upon the Company, except as specifically authorized by the Company.

Pay: During your employment, you shall receive a base salary at the annualized rate of $205,000 (the "Annual Base Salary"), a biweekly amount of $7,884.61, less applicable withholdings and deductions, payable every other Friday in accordance with the Company's normal payroll practices and via direct deposit into your designated account(s) at a financial institution (if so authorized by you) or by another method and at the place authorized by you. Your position is classified as exempt from the state and U.S. Federal wage and hour laws, so you will not be eligible for any overtime pay. You are expected to work during regularly scheduled work hours, as communicated to you by the Company, as well as such additional hours as may be necessary to complete the required work.

Bonuses: You will be eligible to receive an annual performance bonus, contingent upon the Company's overall performance as well as your individual performance (the "Bonus"). The annual target Bonus will be 25% of the Annual Base Salary, but the actual Bonus amount, if any, will be determined by the Company, in its sole and absolute discretion. For 2025, your target bonus opportunity is 25% of the Annual Base Salary, not prorated for the duration of 2025. In order to receive a Bonus, you must be employed through the date of payment. Bonuses are not earned until the date of payment. The Bonus, if any, will be paid within one-hundred

and eighty (180) days following the end of the calendar year to which the Bonus relates. Please understand that bonuses are not guaranteed and are subject to the approval of the Company.

Sign-On Bonus: You will be provided with a one-time $20,000 bonus less applicable taxes, payable upon your start with the Company. If you voluntarily terminate employment within one (1) year of receiving the bonus, you will be required to repay the entire amount to the Company immediately following termination. By your signature on this Agreement, you authorize the Company to withhold this amount ($20,000), or any portion thereof, from any amounts due to you by the Company, including without limitation, your final paycheck. Any remaining balance owed to the Company will be reimbursed by you within five (5) business days of your last date of employment.

Participation in Management Incentive Plan: On or about the date of execution and delivery of this Agreement, you and Parakeet MIP II, LLC (the "MIP II LLC") are entering into an award agreement (as amended, restated, supplemented or otherwise modified from time to time, the "Award Agreement"), pursuant to which you will be granted 3.0% (three percent) Management LLC Units of the MIP II LLC under the Plan (the "MIP Grant"). The MIP Grant will be subject to the vesting provisions in line with the other executives in the Parakeet MIP II, LLC.

Paid Time Off: You will be eligible for paid time off and other leave time in accordance with the Company's policies and practices in force as of your hire date and as such policies and practices may be modified from time to time. As of the date of this offer, you will be eligible to accrue up to 15 days of vacation time, which is paid time off that may be used for any purpose, including but not limited to vacation, personal matters, and recovery from injury or illness after all other available sick leave is exhausted. You are also eligible to receive a maximum of 40 hours of paid sick leave per calendar year. Sick leave may be used for, among other things, the employee's own injury, illness, doctor, or dental appointments, or those of an immediate family member. No accrued, unused paid time off will be paid out upon separation of employment for any reason

Benefits: You shall be eligible for participation in welfare and other benefit plans, practices, policies and programs, on such terms as may be generally available to employees of the Company, and your participation in such plans is subject to the terms and conditions of the Company's benefit plan documents, policies and procedures, from time to time established. You are eligible to enroll in the Company's medical benefits plan after the 60th day of your employment. The Company reserves the right to change, replace or terminate any or all of the foregoing benefits, and any other benefits which, from time to time, may be offered to you, in its sole and absolute discretion.

Expenses: You shall be entitled to receive reimbursement for all reasonable, pre-approved documented business expenses incurred by you in connection with the performance of your duties for the Company, subject to the Company's policies regarding expense reimbursement. You may be issued a Ramp Card (purchasing card) for travel and authorized business purposes. You must follow all Company policies pertaining to the use of the Ramp Card.

Confidentiality; Non-Disclosure: You agree that during the course of your employment and at all times thereafter, you shall not use or disclose, in whole or in part, any of the Company's or its clients' or customers' confidential and proprietary information other than (i) in the course of your employment with the Company, (ii) with the prior written permission of the Company, or (iii) as may be required by a court of competent jurisdiction, an authorized government agency, or an authorized administrative or legislative body. Customer lists, customer files, computer records, financial and marketing data, business-related information, formulas, and trade secrets are examples of confidential information. Confidential information does not include information which has become publicly known and made generally available through no wrongful act of you or of others who were under confidentiality obligations as to the item or items involved. You acknowledge that nothing in this Letter Agreement prohibits, limits, or otherwise interferes with your protected rights under

federal, state or local law to, without notice to the Company, (i) communicate or file a charge with a government regulator or official; (ii) participate in an investigation or proceeding conducted by a government regulator or official; or (iii) receive an award paid by a government regulator or official for providing information. You further acknowledge that you will not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret if (a) you make such disclosure in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney and such disclosure is made solely for the purpose of reporting or investigating a suspected violation of law; or (b) you make such disclosure in a complaint or other document filed in a lawsuit or other proceeding if such filing is made under seal.

Return of Confidential Information: When your employment with the Company ends, you will immediately return or, at the Company's sole discretion, destroy, all materials (including without limitation, written or printed documents, images, videos, email and computer disks or tapes, whether machine or user readable, computer memory, and other information reduced to any recorded format or medium) containing, summarizing, abstracting or in any way relating to confidential information of the Company or its clients or customers.

Intellectual Property Rights: To the fullest extent permissible under applicable law, all material, documentation, deliverables, and other tangible expressions of information including but not limited to, software programs and software documentation, designs, technical data, formulae, and processes, whether in final production or draft, which result from any work performed by you providing services under this Letter Agreement (the "Work Product") shall be deemed "works made for hire" as that term is used in the U.S. Copyright Act of 1976, as amended (the "Act"), of which the Company is and shall be considered the sole author within the meaning of the Act and the sole and exclusive owner of the Work Product, including all intellectual property rights therein, from conception and at all stages of completion. You hereby expressly disclaim all interest in all Work Product. If and to the extent that title to any Work Product or any materials comprising or including any Work Product is found not to be a "work made for hire" as a matter of law, you hereby irrevocably and unconditionally transfer and assign to the Company, to the fullest extent permitted by law, all of your right, title and interest in and to any Work Product under (and during the full initial and any renewal terms of protection provided by) applicable copyright, patent, trademark, trade secret and other laws, and including any moral rights or mask work rights, on a worldwide basis and in perpetuity. At any time during or after your employment by the Company that the Company requests, you agree, at the Company's expense, to execute whatever documents that from time to time may be reasonably necessary or may be required by the Company to effectuate or perfect the above transfer and assignment, to otherwise vest the Company with ownership of all rights in all Work Product or in connection with any applications filed by the Company to obtain intellectual property rights in or to such Work Product.

At-Will Employment: Employment with the Company is for no specific period of time. Your employment with the Company will be "at will," meaning that either you or the Company may terminate your employment at any time, with or without advance notice or cause, as long as not violative of any law

Miscellaneous: This offer of employment is contingent upon the Company's satisfactory completion of reference and background checks, and proof of your authorization to work in the United States. If, based upon a unique circumstance, you commence work before the Company has completed these inquiries, you will be deemed a conditional employee.

You represent and warrant that you are not in breach of any agreement requiring you to preserve the confidentiality of any information, client/investor lists, trade secrets, or other confidential information, or any agreement not to compete, solicit clients/investors or employees of, or interfere with, any prior employer, and that neither your execution of this Letter Agreement nor the performance by you of your obligations hereunder

will conflict with, result in a breach of, or constitute a default under, any agreement or policy to which you are a party or to which you may be subject. You further represent that you have not taken and will not take any confidential information from any prior employer and will not use any such information in performing your obligations hereunder but instead will rely on your generalized knowledge and skill in performing your services hereunder.

The terms of this Letter Agreement supersede any and all prior agreements, understandings and representations (whether written or oral) relating to the terms of your employment. This Letter Agreement contains the entire agreement among the parties with respect to the subject matter hereof and thereof. No modifications of the terms set forth in this Letter Agreement shall be binding unless made in writing and signed by you and the Company. This Letter Agreement may be executed in two or more counterparts, each of which will be an original and all of which together will constitute one and the same instrument.

This Letter Agreement will be governed, construed, performed and enforced in accordance with the laws of the State of Maryland, without reference to principles of conflict of laws. Any and all actions arising, directly or indirectly, out of this Letter Agreement or your employment with the Company will be brought and heard in the state and federal courts located in the County of Montgomery, and you and the Company hereby irrevocably submit to the exclusive jurisdiction of any such courts. To the extent permitted by law, the Company and you also hereby agree to waive each of your respective rights to a trial by jury in any action concerning this Letter Agreement or any and all matters arising directly or indirectly herefrom. You have the right to consult with counsel prior to signing this Letter Agreement.

To accept this offer, please countersign this Letter Agreement below and return it to me on or before March 20th, 2025.

Sincerely,

PARAKEET COMMUNITIES, LLC
