Subject: Shirleys Rent Payments

Hi all,

As the team was working through July recs, it appears that rent for Shirley's is actively being deposited into the 5344 Parakeet Communities bank account. Can that be switched to somewhere else ASAP, so we don't comingle cash between the Parakeet fund and non-Parakeet entities?

I know that property was working to have a bank account set up but if there needs to be an account utilized as a placeholder to receive rent, that should live somewhere in GBP/A2Z rollups.

Let us know if this has already since been changed.

Best,
David
